

# Mass Spectrometry Request Form

Name:.....Supervisor:.....

Affiliation/Company/Dept:.....

.....

.....

Email

address.....Phone.....

## SAMPLE DETAILS

Name/Code:.....Location:.....

Date:.....

Structure:

Suitable Solvent (circle): MeOH EtOH DCM Acetone Acetonitrile Water

Other:.....

Molecular Weight:.....Formula:.....

Sample Notes: (i.e. stability, water sensitivity, acid base sensitivity etc)

.....

.....

.....

### Available techniques:

Electrospray (+ve/-ve)

LC/MS

APCI (+ve/-ve)

Tandem mass spectrometry

For LC/MS please supply LC conditions.

The use of a particular technique should be decided in consultation with the operator.

For further information contact:
